

FOSTER HOPE CHRISTMAS GIFT DRIVE

Foster Hope Charitable Trust is collecting new, UNWRAPPED gifts for children from newborn to 18 years of age.

Christmas is a stressful time of the year where child protection agencies around the country see a big increase in child abuse and crisis management cases. We want to ensure that if a child is suddenly placed into care over the Christmas period, that the caregivers are not caught short with nothing under the tree for the child.

We ask that the gifts are unwrapped so that the social workers are able to best match the gift to the child.

The deadline for donations is the 5th December.

Thank you so much for your support.
